IN PARTICIPANTS' WORDS

Attendee takeaways

"I enjoyed learning about how to create an agent, that will be really helpful for my job. I created 4 different agents this morning."

AI 101 Workshop, community college client, 2026

"This presentation was absolutely relevant to what I do, day to day. I wasn't aware of how many areas of my job AI could assist with, till this presentation."

Lone Star College System HR Conference, 2026

Quoted verbatim from 183 attendee takeaways collected across 27 sessions.
